Volunteer Committee Registration

Please take this opportunity to review where you might enjoy serving with the Vail Board of REALTORS®! Check off or prioritize the committees you might be interested in (e.g. 1-3, 1 being the most preferred committee) and return to the VBR via email (kendra@vbr.net) or drop it off at our offices in Edwards.

In most cases, the Committee Chairs select the committee volunteers. Some committees have limited open seats and can only be joined when the leadership year ends (Dec 1st – Nov. 30th). However, most committees can be joined at any point during the year!

Committee meetings range from 3 – 10 meetings per year, depending. They can range from once meeting every other month to a concentrated grouping of meetings leading up to a big project/event. Call or email staff for details on any specific committee you might be interested in.
